

Aaron Sander

Graphic Designer

I am a third-year graphic design student at Algonquin College. I am efficient, concise and take pride in what I create. I am not afraid of hard work and pick up on new and different skills quickly.

EXPERIENCE

Smith School of Business at Queen's University, Kingston, ON — *Graphic and Web Designer*

MAY 2019 - PRESENT

Responsible for updating the majority of the styling for their learning platform, using Bootstrap, HTML, CSS and a bit JavaScript. Worked on developing a web application in a team setting, working with other designers and developers.

Algonquin College, Nepean ON — Teaching Assistant & Tutor

OCTOBER 2018 - PRESENT

Teaching Assistant for Web Development Course - Responsible for assisting the professor in teaching course materials and quickly and efficiently answering questions asked by students in class.

Tutoring - Responsible for a student's comprehension of taught materials and continued growth. Fosters great customer service with repeat clients.

Corporate Freelance — Graphic Design

MARCH 2018 - AUGUST 2019

Learned how to deal with corporate branding, handling different corporate assets and maintaining branding guide standards. Understand the client's needs and visions to create successful designs.

Coco Paving, Kingston ON — Highway Maintenance

MAY 2018 - SEPTEMBER 2018

Maintaining the appearance of highways from Brockville to Glenora and Smith Falls. This job required efficiency and a strong work ethic to work through the long and hot days that came with working solely outside.

EDUCATION

Algonquin College, Nepean ON — Graphic Design Advanced Diploma

SEPTEMBER 2017 - APRIL 2020

Deans List - Awarded to students who maintain a 3.60 to 4.00 GPA

Kingston Collegiate Vocational Institute, Kingston ON — *Ontario Secondary School Diploma*

SEPTEMBER 2013 - JUNE 2017

Sandy Cond Award - Awarded to students who excel in Arts

93 Harris Place
